## **Section 1 – Introduction**

This directory provides a list of Integra Synergy Medicaid Advantage Plus’s network providers and pharmacies.

You will have to choose one of our network providers listed in this directory to be your **PPrimary CCare PProvider (PCP)**. Generally, you must get your health care services from your PCP. A PCP is a physician specializing in General Practice, Family Practice, Internal Medicine, or Geriatrics. Under certain circumstances, if you have a degenerative or disabling disease you may be permitted to choose a specialist as your PCP, provided that the PCP, in consultation with Integra Synergy Medicaid Advantage Plus, agrees that the use of a specialist in this manner is most appropriate in treating you.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral. When your PCP thinks that you need specialized treatment, he/she will give you a referral (approval in advance) to see a plan specialist or another provider. It is very important to get a referral (approval in advance) from your PCP before you see a plan specialist or certain other providers (there are a few exceptions, including routine women’s health care). If you don’t have a referral (approval in advance) before you get services from a specialist, you may have to pay for these services yourself.

In addition, for some types of services, your PCP may need to get approval in advance from our Plan (this is called getting “prior authorization”). Please refer to the benefit chart in Chapter 4 of your Evidence of Coverage for information about which services require prior authorization.

If you receive a bill from a non-contracted provider, please contact Integra Synergy Medicaid Advantage Plus Customer Service. We will ask you to send us the bill and we will determine if there is anything you should pay. Please do not pay bills from non-contracted providers without sending them to us for review.

This booklet also provides a list of Integra Synergy Medicaid Advantage Plus’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Integra Synergy Medicaid Advantage Plus’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are filled at a network pharmacy or through mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 1/01/2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drug shipped to your home through our network mail order delivery program. For more information, please call us or see the mail order section of the pharmacy directory. If you have any questions about any of the above, please contact us at Integra Synergy Medicaid Advantage Plus.

### **Medical emergencies or urgently needed care**

In the event of an emergency, call 911 for help or go to the nearest emergency room, hospital or urgent care center. You do not need to get approval or a referral first from your PCP in cases of emergency or urgently needed care. Emergency care can be obtained in or out of the service area from the nearest available provider. When out of the service area, or when network providers are unavailable, urgently needed care may be obtained from any qualified provider. In addition, when you are out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers, neither Medicare nor Integra Synergy Medicaid Advantage Plus will be responsible for the costs.

## **Sección 1: Introducción**

Este directorio proporciona una lista de las farmacias y los proveedores de la red de Integra Synergy Medicaid Advantage Plus.

Tendrá que elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su Proveedor de atención primaria (**P**Primary **C**Care **P**Provider, PCP). Por lo general, debe obtener los servicios de atención médica de su PCP. Un PCP es un médico especializado en medicina general, medicina familiar, medicina interna o geriatría. En determinadas circunstancias, si padece una enfermedad crónica, degenerativa o discapacitante puede elegir un especialista como su PCP, siempre que el PCP, tras consultar con Integra Synergy Medicaid Advantage Plus, acuerde con que el uso de un especialista de esta manera es la opción más adecuada para tratarlo.

Los proveedores de la red que figuran en este directorio han acordado brindarle servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, es posible que algunos servicios exijan una remisión. Cuando su PCP considere que necesita un tratamiento especializado, recibirá una remisión (aprobación por adelantado) para ver a un especialista del plan u otro proveedor. Es muy importante obtener una remisión (con autorización previa) de su PCP antes de consultar a un especialista o a determinados proveedores (hay algunas excepciones, incluida la atención médica de rutina de la mujer). Si no tiene una remisión (con autorización previa) antes de ser atendido por un especialista, es posible que tenga que pagar por esos servicios.

Además, para algunos tipos de servicios, es posible que su PCP deba obtener la aprobación previa de nuestro plan (esto se denomina obtener "autorización previa"). Consulte la tabla de beneficios en el Capítulo 4 de su Evidencia de cobertura para obtener información sobre qué servicios requieren autorización previa.

Si recibe una factura de un proveedor no contratado, comuníquese con el Servicio de Atención al Cliente de Integra Synergy Medicaid Advantage Plus. Le pediremos que nos envíe la factura y determinaremos si hay algo que deba pagar. No pague facturas de proveedores no contratados sin enviárnoslas para su revisión.

Este cuadernillo también proporciona una lista de las farmacias de la red de Integra Synergy Medicaid Advantage Plus. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluido cómo surtir sus recetas, consulte la Evidencia de cobertura y el formulario de Integra Synergy Medicaid Advantage Plus.

A las farmacias de esta lista las denominamos "farmacias de la red" porque hemos hecho acuerdos con ellas para proporcionarles medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus recetas se obtienen en una farmacia de la red o mediante el servicio de pedido por correo a la farmacia. Una vez que vaya a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, pero puede cambiarse a cualquier otra de nuestras farmacias de la red. Surtiremos recetas en farmacias fuera de la red bajo ciertas circunstancias, como se describe en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Se pudieron haber incluido o eliminado farmacias de la lista algunos proveedores participantes. Esto significa que es posible que las farmacias enumeradas aquí ya no estén en nuestra red, o puede haber farmacias más nuevas en nuestra red que no estén en la lista. Esta lista está vigente desde el 1/01/2022. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contraportada.

Puede hacer que le envíen medicamentos recetados a domicilio a través de nuestro programa de entrega de pedidos por correo de la red. Para obtener más información, llámenos o consulte la sección de pedidos por correo del directorio de farmacias. Si tiene alguna pregunta sobre lo anterior, comuníquese con nosotros en Integra Synergy Medicaid Advantage Plus.

## **Emergencias médicas o cuidado urgentemente necesario**

En caso de una emergencia, llame al 911 para obtener ayuda o vaya a la sala de emergencias, hospital o centro de atención de urgencia más cercano. No necesita la aprobación ni una remisión previa de su PCP en casos de emergencia o atención de urgencia. La atención de emergencia puede ser dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentre fuera del área de servicio o cuando los proveedores de la red no estén disponibles, se puede obtener atención de urgencia de cualquier proveedor calificado. Además, cuando se encuentre fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Integra Synergy Medicaid Advantage Plus serán responsables de los costos.

## **Introduction**

This booklet provides a list of Integra Synergy Medicaid Advantage Plus (HMO SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Synergy Medicaid Advantage Plus (HMO SNP) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Integra Synergy Medicaid Advantage Plus (HMO SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of January 2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Elixir Pharmacy. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

## **Directorio de proveedores y farmacias del plan de 2022**

En general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y / o los copagos / coseguros pueden cambiar el 1 de enero de 2022 y de vez en cuando durante el año.

### **Introducción**

Este folleto proporciona una lista de las farmacias de la red de Integra Synergy Medicaid Advantage Plus (HMO SNP). Para obtener una descripción completa de su cobertura de medicamentos recetados, incluida la forma de surtir sus medicamentos recetados, consulte la Evidencia de cobertura y el formulario de Integra Synergy Medicaid Advantage Plus (HMO SNP).

Llamamos a las farmacias en esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellos para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus recetas están cubiertas por Integra Synergy Medicaid Advantage Plus (HMO SNP) Plan solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, pero puede cambiar a cualquier otra farmacia de nuestra red. Llenaremos recetas en farmacias fuera de la red bajo ciertas circunstancias como se describe en su Evidencia de cobertura.

Es posible que todas las farmacias de la red no estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista después de imprimir este directorio. Esto significa que es posible que las farmacias enumeradas aquí ya no estén en nuestra red, o que haya farmacias más nuevas en nuestra red que no estén listadas. Esta lista está actualizada a partir de enero de 2022. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de portada y contraportada.

Puede obtener medicamentos recetados enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red que se llama Elixir Pharmacy. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene preguntas sobre cualquiera de los anteriores, consulte las páginas de portada primera y última de este directorio para obtener información sobre cómo comunicarse con Integra Synergy Medicaid Advantage Plus (HMO SNP).
