Section 1 – Introduction

This directory provides a list of Integra Balanced MA (HMO SNP) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. A PCP is a physician specializing in General Practice, Family Practice, Internal Medicine, Geriatrics, Adolescent Medicine and Pediatrics. Under certain circumstances, if you have a degenerative or disabling disease you may be permitted to choose a specialist as your PCP provided that the PCP, in consultation with Integra Balanced MA (HMO SNP), agrees that the use of a specialist in this manner is most appropriate in treating you.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral. When your PCP thinks that you need specialized treatment, he/she will give you a referral (approval in advance) to see a plan specialist or certain other provider. It is very important to get a referral (approval in advance) from your PCP before you see a plan specialist or certain other provider (there are a few exceptions, including routine women's health care). **If you don't have a referral (approval in advance) before you get services from a specialist, you may have to pay for these services yourself.**

In addition, for some types of services, your PCP may need to get approval in advance from our Plan (this is called getting "prior authorization"). Please refer to the benefit chart in Chapter 4 of your Evidence of Coverage for information about which services require prior authorization.

If you receive a bill from a non-contracted provider, please contact Integra Balanced MA (HMO SNP) Customer Service. We will ask you to send us the bill and we will determine if there is anything you should pay. Please do not pay bills from non-contracted providers without sending them to us for review.

Medical emergencies or urgently needed care

In the event of an emergency, call 911 for help or go to the nearest emergency room, hospital or urgent care center. You do *not* need to get approval or a referral first from your PCP in cases of emergency or urgently needed care.

Emergency care can be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers, neither Medicare nor Integra Balanced MA (HMO SNP) will be responsible for the costs.

As soon as possible make sure that our plan has been notified about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours.

Sección 1 Introducción

Este directorio proporciona una lista de Integra Balanced MA (HMO SNP) proveedores de red. Para obtener información detallada sobre su salud cobertura de atención, consulte su Evidencia de cobertura (EOC).

Tendrá que elegir a uno de los proveedores de nuestra red que figuran en este directorio para que sea su **Primary Care Provider (PCP)**. En general, debes obtener tu salud servicios de cuidado de su PCP. Un PCP es un médico especializado en Medicina General, Medicina Familiar, Medicina Interna, Geriátrica, Medicina del Adolescente y Pediatría. En ciertas circunstancias, si tiene una enfermedad degenerativa o discapacitante, se le puede permitir elegir un especialista como su PCP, siempre que el PCP, en consulta con Integra Balanced MA (HMO SNP) Plan, acepte que el uso de un especialista de esta manera es más apropiado en el tratamiento de usted.

Los proveedores de la red que figuran en este directorio han acordado proporcionarle su salud servicios de cuidado. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Sin embargo, algunos servicios pueden requerir una referencia. Cuando su PCP considere que necesita tratamiento especializado, le dará una referencia (aprobación por adelantado) para ver a un especialista del plan u otro proveedor determinado. Es muy importante obtener una referencia (aprobación por adelantado) de su PCP antes de ver a un especialista del plan. o algún otro proveedor (hay algunas excepciones, incluida la atención médica de rutina para la mujer). **Si no cuenta con una referencia (aprobación por adelantado) antes de recibir los servicios de un especialista, es posible que deba pagar estos servicios usted mismo.**

Además, para algunos tipos de servicios, su PCP puede necesitar la aprobación previa de nuestro Plan (esto se conoce como obtener "autorización previa"). Consulte la tabla de beneficios en el Capítulo 4 de su Evidencia de cobertura para obtener información sobre qué servicios requieren autorización previa.

Si recibe una factura de un proveedor no contratado, comuníquese con el Servicio de Atención al Cliente de Integra Balanced MA (HMO SNP). Le pediremos que nos envíe la factura y determinaremos si hay algo que deba pagar. No pague facturas de proveedores no contratados sin enviárnoslas para su revisión.

Emergencias médicas o cuidado urgentemente necesario

En el caso de una emergencia, llame al 911 para obtener ayuda o diríjase a la sala de emergencias, el hospital o el centro de atención de urgencias más cercano. No es necesario que primero obtenga aprobación o una derivación de su PCP en casos de emergencia o atención que se necesita con urgencia.

La atención de emergencia se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentre en el área de servicio, debe usar proveedores del plan para atención urgente. Cuando esté fuera del área de servicio, se puede obtener atención de urgencia del primer proveedor disponible. Además, cuando se encuentra fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Integra Balanced MA (HMO SNP) serán responsables de los costos.

Tan pronto como sea posible, asegúrese de que nuestro plan haya sido notificado sobre su emergencia. Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona deben llamarnos para informarnos sobre su atención de emergencia, generalmente dentro de las 48 horas.

Introduction

This booklet provides a list of Integra Balanced MA (HMO SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Balanced MA (HMO SNP) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Integra Balanced MA (HMO SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Elixir Pharmacy. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Integra Balanced MA (HMO SNP)
Directorio de farmacias de 2021

En general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y / o los copagos / coseguros pueden cambiar el 1 de Enero de 2021 y de vez en cuando durante el año.

Introducción

Este folleto proporciona una lista de las farmacias de la red de Integra Balanced MA (HMO SNP). Para obtener una descripción completa de su cobertura de medicamentos recetados, incluida la forma de surtir sus medicamentos recetados, consulte la Evidencia de cobertura y el formulario de Integra Balanced MA (HMO SNP).

Llamamos a las farmacias en esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellos para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus recetas están cubiertas por Integra Balanced MA (HMO SNP) Plan solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, pero puede cambiar a cualquier otra farmacia de nuestra red. Llenaremos recetas en farmacias fuera de la red bajo ciertas circunstancias como se describe en su Evidencia de cobertura.

Es posible que todas las farmacias de la red no estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista después de imprimir este directorio. Esto significa que es posible que las farmacias enumeradas aquí ya no estén en nuestra red, o que haya farmacias más nuevas en nuestra red que no estén listadas. Esta lista está actualizada a partir de noviembre de 2020. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de portada y contraportada.

Puede obtener medicamentos recetados enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red que se llama Elixir Pharmacy. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene preguntas sobre cualquiera de los anteriores, consulte las páginas de portada primera y última de este directorio para obtener información sobre cómo comunicarse con Integra Balanced MA (HMO SNP).
