B. Background Information about Integra Synergy MAP (HMO SNP)'s Network Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also include facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and LTSS.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- **A Primary Care Physician (PCP)** is a physician who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.

If you have questions, please call Integra Synergy MAP (HMO SNP) Customer Service at 877-388-5195, TTY: 711, 7 days a week from 8:00 a.m. to 8:00 p.m. from October 1 through March 31 and Monday to Friday, from 8:00 a.m. to 8:00 p.m. from April 1 through September 30. The call is free. **For more information**, visit www.integramanagedcare.com.

- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can see someone that is not your PCP. If you don't get a referral, Integra Synergy MAP (HMO SNP) may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
 - Services from a women's health specialist.
 - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Evidence of Coverage*.

B2. Primary Care Physician (PCP)

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a PCP who is part of our plan network. This provider will be your PCP.

If you did not choose a PCP or would like to make a change to your PCP, go to the list of providers and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.

If you have questions, please call Integra Synergy MAP (HMO SNP) Customer Service at 877-388-5195, TTY: 711, 7 days a week from 8:00 a.m. to 8:00 p.m. from October 1 through March 31 and Monday to Friday, from 8:00 a.m. to 8:00 p.m. from April 1 through September 30. The call is free. **For more information**, visit www.integramanagedcare.com.

- If you want help in choosing a PCP, please call Customer Service at the number at the bottom of this page.

If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Service and ask **before** you get the service.

B3. How to identify providers in Integra Synergy MAP (HMO SNP)'s network

You may need a referral to see someone who is not a PCP. There is more information about referrals in Section B1 of this Directory on page 5.

A **prior authorization** is an approval from Integra Synergy MAP (HMO SNP) before you can get a specific service, drug, or see an out-of-network provider. Integra Synergy MAP (HMO SNP) may not cover the service or drug if you don't get approval.

You must get all your covered services from providers within our network. If you go to providers who are not in Integra Synergy MAP's (HMO SNP) network (**without prior authorization or approval from us**), **you will have to pay the bill.**

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Integra Synergy MAP (HMO SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. For some providers, you may need a referral from your PCP.
- Integra Synergy MAP (HMO SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Integra Synergy MAP (HMO SNP) can help you. Talk to your care coordinator for assistance.

How to access out-of-network providers

To ask us to authorize services from a non-contracted provider, call us at the number listed at the bottom of this page.

When you are outside the service area and cannot get care from a network provider, our plan will cover emergency or urgently needed services received from any provider. D. Background Information about Integra Synergy MAP (HMO SNP)'s Network Pharmacies

This part of the Directory provides a list of pharmacies in Integra Synergy MAP (HMO SNP)'s network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

- Integra Synergy MAP (HMO SNP) members must use network pharmacies to get prescription drugs.
 - You must use network pharmacies except in emergency or urgent care situations.
 - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the Integra Synergy MAP (HMO SNP) *Evidence of Coverage* for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

We have pharmacies outside of New York. Please contact Customer Service at the number at the bottom of this page for more information.

For up-to-date information about Integra Synergy MAP (HMO SNP) network pharmacies in your area, please visit our website at www.integramanagedcare.com or call Customer Service at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Evidence of Coverage* and Integra Synergy MAP (HMO SNP)'s *List of Covered Drugs* (Drug List). You can find these documents at www.integramanagedcare.com.

D1. Types of pharmacies in Integra Synergy MAP (HMO SNP) network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.

If you have questions, please call Integra Synergy MAP (HMO SNP) Customer Service at 877-388-5195, TTY: 711, 7 days a week from 8:00 a.m. to 8:00 p.m. from October 1 through March 31 and Monday to Friday, from 8:00 a.m. to 8:00 p.m. from April 1 through September 30. The call is free. **For more information**, visit www.integramanagedcare.com.

- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

E. Integra Synergy MAP (HMO SNP)'s List of Network Pharmacies

This part of the Directory includes a list of Integra Synergy MAP (HMO SNP)'s network pharmacies that **participate in and accept** Integra Synergy MAP (HMO SNP).

The Pharmacy Directory provides a list of Integra Synergy MAP (HMO SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Synergy MAP (HMO SNP) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Integra Synergy MAP (HMO SNP) Plan members. In most cases, your prescriptions are covered under Integra Synergy MAP (HMO SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed.

If you have questions, please call Integra Synergy MAP (HMO SNP) Customer Service at 877-388-5195, TTY: 711, 7 days a week from 8:00 a.m. to 8:00 p.m. from October 1 through March 31 and Monday to Friday, from 8:00 a.m. to 8:00 p.m. from April 1 through September 30. The call is free. **For more information**, visit www.integramanagedcare.com.

This list is current as of 7/01/2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called "Elixir Pharmacy". For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions, please call Integra Synergy MAP (HMO SNP) Customer Service at 877-388-5195, TTY: 711, 7 days a week from 8:00 a.m. to 8:00 p.m. from October 1 through March 31 and Monday to Friday, from 8:00 a.m. to 8:00 p.m. from April 1 through September 30.
